Dear Scholarship Coordinator,

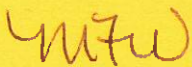

The Kit Faragher Foundation is pleased to continue the Kit Faragher Memorial Scholarship for the 2022-2023 school year, our 20<sup>th</sup> year! Three scholarships will be awarded to support graduating Colorado high school students; one of those scholarships will be specifically designated for a graduating senior from a Montrose County, Colorado high school due to the generosity of that community during our fundraisers. The recipients will receive **\$10,000** each, distributed over the first two years of their college, university or technical school program.

These scholarships will support three Colorado high school seniors who have earned cumulative 2.5 GPAs, are in strong need of financial assistance for college, university or technical school, and who demonstrate positive attitudes, strong commitments, and drives towards accomplishment. Please encourage all qualified students to apply!

**Applications and additional information are available on our website at [www.KitFaragherFoundation.org](http://www.KitFaragherFoundation.org). Applications and all required attachments must be received at the address above by Friday, April 15, 2022 at 5:00 pm in order to be considered.**

Thank you in advance for distributing this information to all of your students. Your assistance is greatly appreciated!

Sincerely,

Mary F. Waterman/Taylor H. Leffel  
Vice President/Secretary
